PATENT NO. : 7,036,751 B1

APPLICATION NO.: 10/734,886

ISSUE DATE : May 2, 2006

INVENTOR(S) : Bruce D. Lund, et al.

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

On March 16, 2006, a Notice Regarding Drawings was received giving two months to respond with new drawings since the drawings originally filed had a number of defects noted by the draftsman. We immediately contacted our client and work was undertaken to provide corrected drawings. However, on April 12, 2006 an Issue Notification was received with notification that the 7,036,751 patent would issue on May 2, 2006 two weeks prior to when the new drawings were due. We contacted our client to expedite the drawings and the drawings were forwarded via Express Mail on April 26, 2006.

For whatever reason, the '751 patent issued on May 2, 2006 with the original defective drawings.

Thus, we are filing this Certificate of Correction to correct an error and omission of the corrected drawings by the U.S. Patent Office.
